<p>KEYNOTES DEADLINE IS THE FIRST DAY OF EACH MONTH.</p> <p>Please send information to Barb Kaufman at danbarbkauf@msn.com</p>	<p>The program for the October 28, 2024 branch meeting was outstanding, and Sharron Noone is to be commended for opening our eyes to a group of women rarely thought about – except when celebrities such as Martha Stewart are incarcerated. It is amazing that the vision, dedication, and hard work of one woman, Deborah Arthur--a professor for over 21 years and criminal defense and juvenile law attorney--resulted in the Portland State University Higher Education in Prison Program, established for women at the Coffee Creek Correctional Facility who heretofore did not have access to higher education. Deborah saw an injustice and did something about it; she served as the Director role for several years before bringing Nahlee Suvanveij on board. Both women really inspired our membership as they presented details of the current process, as well as future plans, and the positive impact of education on recidivism. Our board this month will discuss potential ways for our branch to support this important program.</p>
<p>Inside this issue:</p>	<p>I hope all of you are planning to attend our "Calling All Angels" Annual Fundraiser on Tuesday, November 19, 2024 at 11:30 am at the Olive Garden Restaurant in Gresham, Oregon. Our program will highlight the Gresham Area Branch of AAUW, Inc. Scholarship at the MHCC Foundation.</p>
<p>President's Message 1</p>	<p>Our first guest speaker will be Moriah Marsh, a chemistry major and our 2024 -2025 Gresham Area Branch of AAUW, Inc. Scholarship Recipient. She will be speaking about her background, educational pursuits, hobbies, what our scholarship means to her, and her plans after graduating from MHCC. As you may recall, I sent in a detailed article about Moriah on pages 3 and 4 of the October 2024 <i>Keynotes</i>. Our second guest speaker will be Shelley McFarland, Development and Content Coordinator for the MHCC Foundation and my point of contact for all things relating to our branch scholarship; she will talk about the MHCC Foundation and how our scholarship contributes to a meaningful difference in the lives of MHCC students. By way of background, Shelley McFarland began her career at the Mt. Hood Community College bookstore in 1989. That role set her on a path to graduate from both MHCC and Portland State University. She continued in the book industry, eventually owning her own bookstore in the Woodburn Company Stores outlet mall. In 2008, Shelley transitioned from books to journalism, becoming a journalist and copywriter for Pamplin Media. She also freelanced as an ad hoc writer for MHCC Brand Marketing. When a position opened in the Foundation, Shelley seized the opportunity, marking a full-circle moment from her early days at the bookstore. As an alumna, she is excited to contribute to the Foundation's mission of fostering community connections and supporting students.</p>

Please read more about the MHCC Scholarship in another article in this Keynotes.</p> <p>By now, you should have received the "Calling All Angels" Donation Sheet (emailed to you and found in these <i>Keynotes</i>) which allows you to donate to the MHCC Scholarship, AAUW-GAB Fund, AAUW General Fund, the Judith Scott NCCWSL Fund, and the NCCWSL Scholarship! Bev Dale had been a member of the Gresham Area Branch of AAUW from 2017 to 2022. She moved to Vancouver in 2021. Bev passed on August 8. She is survived by two daughter, a son, and many grandchildren and great-grandchildren.

She had been an elementary school teacher in Portland. She liked to travel and visited every state, many European countries, China, and other Far East places. She enjoyed attending Road Scholars, reading, and playing bridge and pinochle. She belonged to the Les Chapeaux Rouge Red Hat Society and the Rose City Park Presbyterian Church.

She was not a member of AAUW for several years but kept in touch with some of our branch members and played bridge for a couple of years after her move to Vancouver. She will be missed.

***“CALLING ALL ANGELS” ANNUAL FUNDRAISER:
SUPPORT OUR GRESHAM AREA BRANCH OF AAUW, Inc.
MHCC FOUNDATION ENDOWED SCHOLARSHIP***

By Col Mary J. Mayer, USAF (Ret), MHCC Scholarship Chair

The **Gresham Area Branch of AAUW, Inc.** has been supporting our local scholarship through the Mt. Hood Community College Foundation since its inception in 2007. The scholarship, currently at the **\$3,500 level**, gives a *local female second year community college student*, majoring in a STEM (science, technology, engineering, math) subject, an opportunity to further her education and eventually obtain a degree. Seventeen young women have been awarded our branch scholarship so far at Mt. Hood Community College.

We have made tremendous progress with our scholarship these past few years— initially endowing it for **\$25,000** with the unanimous approval of the Branch Board of Directors in 2019, reaching a **\$50,000** endowment goal in 2020, and completing a new goal of raising the endowment corpus to **\$100,000** in 2023. Educational costs continue to go up, and we must try to keep pace with our scholarship funding efforts. Right now, tuition and fees run between **\$6,400 to \$6,800** per year (tuition is \$6,563 for three terms at 15 credits which is the Oregon financial aid standard). At the current time, the end balance is **\$126,298 -- \$116,963** of which is the endowment corpus, and **\$9,335** is the spendable amount available for scholarships and administrative fees. **\$3,500** of the **\$9,335** will be used towards the **2024-2025 scholarship**. These amounts reflect the CPI adjustment, but funds haven't yet been transferred out of the spendable portion for the 2024-25 scholarship payout of \$3,500 to Moriah.

At our **“Calling All Angels” Annual Fundraiser** on **November 19, 2024** at the Olive Garden Restaurant in Gresham, you will all have an opportunity to make substantive donations to our MHCC scholarship. Our **goal** this year is to raise **\$10,000** so we can raise the endowment corpus to **\$126,963**. Educational costs continue to go up, and we must try to keep pace with our scholarship funding efforts.

In next month's *Keynotes*, I will give you a report on how much we collected for the branch scholarship at the Annual Fundraiser! So, I challenge all of you to please continue (or start) to donate whatever amount you can to this worthy Branch project. **Remember:** Your contributions will help give a **local female second year** community college student majoring in a STEM (science, technology, engineering, math) subject an opportunity to further her education and eventually obtain a four-year degree. In addition, through your support, you are making a meaningful difference in the lives of students who are dedicated to shaping better futures for themselves and their communities.

To make donations to the **Mt. Hood Community College Foundation Gresham Area Branch of AAUW, Inc. Endowed Scholarship**, please fill out the **“Calling All Angels” Donation Form** (*found in this issue of the KeyNotes*), indicate the amount that you wish to donate to the “MHCC Scholarship,” write out your check or give your credit card information, and send back to **Mary Jeanne Oliva**, our Branch Director of Funds Development.

If you have any questions, please contact me via cell phone **(310-897-1902)** or email at **maryimayer@yahoo.com**

AAUW Funds

Our major fund raising opportunity is coming up in **November**. We hope many of you are able to attend our luncheon on **Tuesday, November 19**, where we may all celebrate together and have the opportunity to bid on **four amazing baskets** that **Mary Jeanne Oliva** has put together. One of the funds being supported is the **AAUW Greatest Need Fund #9331**. I would like to share with you a few pieces of information that Claudia Gray, our State Funds Chair, has sent to the Branch AAUW Funds chairs.

Each year over \$6M in Fellowships and Grants are awarded to hundreds of women in the US and Internationally. As branch members we can view the impressive list of present and past awardees at aauw.org. And did you know that there is an Alumnae Relations Team charged with growing and maintaining relationships with the thousands of distinguished Alumnae? I didn't. So what our awardees accomplish over their lifetimes, thanks to our support, is followed.

Gloria Blackwell our CEO represents AAUW at the UN where she is able share research information relating to global gender equity that AAUW has done. Gloria has also been invited to the White House on at least three occasions, again sharing our research on women's issues primarily in the workforce.

As GAB members we sometimes feel far removed from National and unsure what exactly we gain from the National organization. I hope this tidbit will be encouraging to you as our dollar support here in Gresham, OR is helping women globally in our never ending struggle for equity.

As we're writing our checks or using our charge cards, remember AAUW Funds, as well as our other opportunities, to support women at work, school, home, and community.

Public Policy
Sharron Noone, Directory of Public Policy

The **International Day for the Elimination of Violence against Women** is on **Monday, November 25th** this year. This day is honored because back on this day in 1960, the Mirabal sisters were assassinated because of their identity as women activists. NGOs, governments, and international organizations are all invited on this day, created by the

United Nations.

In times of peace and conflict, consider wearing orange on this day to show support. And take action to end violence against women and girls in communities, at home, at schools, and at workplaces. Promoting women’s independence and the ability to make decisions in relationships and their public life helps to prevent violence. The distribution of power is just one of the significant drivers of violence against women.

November 11th-15th focuses on the anti-bullying, and this year the theme is “Choose Respect”. Schools and communities come together to focus on anti-bullying actions. Children in school will often learn through class discussions using scenario discussion cards. **People are encouraged to wear the color pink on this week to show support for anti-bullying.** Training and creating safe methods to report bullying is making an impact in our communities worldwide. Teaching children early on about the importance of kindness and empathy is important in order to choose respect. At times, we all need to consider choosing respect in challenging situations.

Lastly, **World Kindness Day is on November 13th**, and this is also turning into a week now! This global celebration promotes kindness to yourself, others, and to the world. Kindness is a bridge that can help to reduce the divide between race, religion, politics, gender, and location. Using empathy and understanding can create a ripple of change that transforms lives in our communities. As we move through the month, think of the good deeds in our local community and maybe also do a good deed or two.
